Re: Mohamed v. MetLife  
Civil Action No.: 10 cv 7249 (PKC)  
SDMA File No.: 00584-007645

Dear Judge Castel:

We represent the Defendant in the above-referenced matter. Upon the consent of plaintiff's counsel, we are writing to respectfully request an adjournment of several dates set forth in the Court's Order dated March 23, 2011, which extended the parties' time to file their respective Motions on Summary Trial and the date of the Case Management Conference.

Currently, the parties are engaged in settlement discussions and the Defendant needs more time to evaluate settlement. Therefore, Defendant requests that the date by which they must submit the entire record and all briefs in support and opposition to their respective arguments on Summary Trial be extended from June 9, 2011 to July 11, 2011. In keeping with this Court's January 28, 2011 Civil Case Management Plan and Scheduling Order, the parties will meet and confer on a briefing schedule such that all submissions are received by the Court by July 11, 2011. In addition, due to the above-requested extension, the parties also request an adjournment of the next Case Management Conference from June 17, 2011 to July 15, 2011. This is the second time that an extension of these dates has been requested, and the first request for an extension was granted.

Thank you for your consideration of this matter.

Respectfully submitted,
